

CASTLE ELECTRIC

Energizing Trust.

Introduction

We appreciate the opportunity to introduce you to our firm, and your time in considering our program. Working hard for our customers since 1986, we have built a reputation for integrity and quality. Times and technology have changed, but our focus on honest service hasn't.

We are a service company specializing in the needs of corporate clients. We do this by resolving your need for reliable electricians, and a company geared for the long haul in our business relationship. We pride ourselves in providing the right service to meet any of your electrical needs, and always at a reasonable cost. We know your repeat business has always been the key to our success. Our entire staff is tasked with the responsibility of providing you with exceptional service, and the confidence that the job will be done right to keep you coming back us whenever the needs arise.

We deliver quality work, on time and on budget – every time.

We service all types of Retail establishments, Restaurants, and commercial units. Weather your building is stand alone, in an open air market, or deep inside the mall, rest assured Castle Electric can handle your electrical needs. Our normal business hours are 7:30am-4:00pm, and for your convenience we have 24 Hour 7 day emergency service program available..

Most of our clients have multiple stores or locations, require a company that can provide them with consistent quality service, and value pricing from store to store. We can provide centralized billing for all you location, and provide our clients with checks and balances to ensure a comprehensive cost control.

Our main coverage area is Los Angeles and Orange counties, but many of our clients find us to be a value in the long run for their locations from Santa Barbara to the Mexican border. Please feel free to contact our office should you require additional information on other outlining areas.

Castle Electric if fully licensed and in good standing (CA 805819) and carries all required work mans compensation insurance, along with a 2M Liability coverage from a AAA rated carrier.
